'Exhibiting under the BEDG umbrella has proved a helpful, inspiring and successful way to tackle overseas trade shows.'

Deborah Bowness

BRITISH EUROPEAN DESIGN GROUP A UNIQUE ORGANISATION WITH A UNIQUE MISSION: PROMOTING UK CREATIVE INDUSTRIES FOR EXPORT

This one hundred percent self-financed not-for-profit organisation has been promoting UK Creative Industries worldwide since its foundation in 1991 and has achieved an unparalleled track record of success in promoting creative excellence worldwide and in exporting British creativity to global markets.

Since 1991 the British European Design Group has taken more than **3500** British and British based design professionals, agencies, companies, associations, organisations and institutions working in the Creative Industries to showcase their products and skills in key and emerging export markets worldwide.

The BEDG has organised more than **80** international trade events, **70** curated exhibitions, **41** international seminars, conferences and outward and inward missions within Europe, Russia, North and South America, the Middle East, Africa, Australia, Hong Kong, Taiwan, Japan and China.

'The BEDG is a unique organisation with a passion for design at the heart of their foundation. I have exhibited with the group over the last decade and the BEDG has been, and continues to be, an integral support structure for my company and many others alike. Perhaps an unsung hero in the journey of the designer and maker, but never to be underestimated for its strength, determination and vision in supporting emerging and established British talent.'
