'I am very grateful for the support of the BEDG, without which, I would not have exhibited in my first overseas trade show. Having shown in New York, I now have orders and contacts from the US and around the world. Many thanks to Pamela and Karin for their help.'

- Gina Pierce, Gina Pierce Design

'The BEDG is an opportunity to introduce your ideas internationally. I have benefited greatly from their help and thanks to exhibiting with them my design work was introduced to different companies and markets.'

- Ali Siahvoshi, Lilife

'The BEDG, through their area at the ICFF, provided the perfect platform to launch Plumen in North America. Having had a lot of interest from the States, it was really important for us to get out there. However, with a small team and even smaller budget it is very hard to do. The BEDG not only made it possible, they made it easy. The preparations for, and running of, the show were simple and straightforward. Whenever there was even the slightest problem either Pamela or Karin were on hand to sort it out.'

- Michael-George Hemus, Plumen

'I am a huge fan of the BEDG! They are well organised, hard working, commercially savvy, artistically sensitive and all round great set of people to work with. I enjoyed a very successful exhibition with them at Maison Objet in September 2010 and will be working closely with them on many future exhibitions.'
