"We are currently preparing for our third show at Maison & Objet in Paris.

Without the DIT TAP funding and the support of Pamela Hall and the BEDG, exhibiting here would not have been viable.

Being able to exhibit at such an internationally renowned event has opened doors to us all over the world.

As a direct result of exhibiting we now have stockists in the USA (ABC Homes NYC), Dubai, Hong Kong, Korea (Showroomkerker), Spain (Knox Design Mallorca), France and Poland.
With each show the list gets longer. In a less quantifiable way, being able to exhibit at such a show exposes us to people from all areas of the Interiors world and ideas, contacts and information are shared in a truly altruistic way. This leads to new project ideas and approaches as to where we next take the business.

For every thousand pounds of DIT Grant received we probably gain export orders somewhere in the region of £10,000 to £12,000".

Orders continue to come in.
